All exhibitors are prohibited from distributing any materials from outside of their specific display area.
- 3. SPACE ALLOCATION** - Show Management shall use its best efforts to locate the Exhibitor's booth in one of the locations designated by Exhibitor on the Exhibit Space Application/Contract. Notwithstanding the foregoing, show management reserves the right to change the location of any booth at anytime as COMPTEL, at its sole discretion, deems necessary or appropriate. The Exhibitor will be notified by Show Management in the event of such occurrence
- 4. SUBLETTING SPACE** - Exhibitors may not assign, sublet, or apportion to others all or part of their space and may not advertise or display goods or services other than those manufactured or sold by them in the regular course of business. However, an exhibitor may use outside equipment or products to enhance his own presentation without giving credit to the manufacturer.
- 5. DISPLAY** - Exhibitor shall not exhibit any products or services other than those described in its Application/Contract or approved in writing by Show Management. Exhibitor shall not in any manner indicate that a COMPTEL endorsement or approval of exhibitor's product or service has been given by COMPTEL merely because COMPTEL approved such product or service or advertising material displayed or disseminated at the exhibit. - 11. STORING CRATES AND BOXES** - The official drayage contractor will handle and provide storage spaces for crates and boxes during the exhibition and will return properly marked materials after the show is over.
